15	Infrastructural information	<p>Campus: Bhai Maha Singh College of Engineering is one of the most renowned engineering institute in the Malwa region of Punjab. It was established under the aegis of Adesh Foundation, Muktsar in the year 2002, with the sole purpose to impart excellent technical education and produce globally competitive professionals. The institute derived its name from the great martyr, Bhai Maha Singh who being in the vanguard of 40 Sikh soldiers of Guru Gobind Singh Ji, sacrificed his life fighting against tyranny and suppression of the then royal regime and to save Guru Gobind Singh Ji from any harm. Within the short span of 14 years of its establishment, the institute has attained name and fame by virtue of its lofty aims and objectives and its efficiency and proficiency in the field of Technical Education.</p>		
----	-----------------------------	--	--	--

		<p>Our institute is functional under the versatile chairmanship of Dr. H.S. Gill, whose vision has given birth to a number of technical and medical institutes in the state of Punjab. His vision, his acumen, his efforts and accomplishments have made Adesh Group an icon of excellent in education. Dr. Gill is a philanthropist by nature and a doctor by profession. He obtained his MBBS and MD (Medicine) from Govt. Medical College, Patiala. He has established himself as a dynamic entrepreneur and a committed planner who has achieved international fame for creating a platform for quality education. He is also a devout follower of Sikhism and a scholar well-versed in Sikh scriptures. His accomplishments reached at the pinnacle of success with his venture of transforming the Adesh Medical College into Adesh Medical University, Bathinda</p> <p>Buildings: The college has a number of beautiful and magnificent buildings in the form of block. Block-A houses Administrative wing and department of Electronics & Communication Engineering and there are Seminar rooms and one conference hall where there is a state of art multimedia facility is used. In Block-B there are three departments namely ME, AME & CSE at different floors of the building. Block-C is called the Workshop Block where all the shops/labs for the classes are available. Block –D is the PG Block where MBA/MCA and other PG classes are conducted and Central Library is in this block also.</p> <p>Library: Bhai Maha Singh College of Engineering has centrally air-conditioned & well stocked library which is being continually upgraded and expanded in terms of books, national & international journals. The library has extensive subject collections of more than 25000 books to support both recommended and background reading . Photocopying & scanning facilities and journal materials are also provided for reference.</p> <p>Workshop:- Workshops Hands on laboratory experience, is important to the under graduate program. It complements & reinforces classroom presentation of course material. It also acquaints the students with modern equipment, process, procedures & design</p>
